TO: Honorable Richard L. Sippel  
Administrative Law Judge

PETITION FOR LEAVE TO AMEND

Lynn Ketelsen, by counsel and pursuant to Section 73.3522 of the Commission's rules, hereby respectfully petitions for leave to amend his application in the above-identified proceeding. In support whereof the following is respectfully stated.

Submitted herewith is an amendment to Ketelsen's application which serves to report the address of the bank upon which Ketelsen relies for the financing to construct and operate his proposed station. 1/ This information was inadvertently omitted from Ketelsen's original response to Item 3, Section III, Page 6 of FCC Form 301. Acceptance of the amendment will render the response to that item complete.

Good cause exists for the acceptance of this amendment. Ketelsen was ordered to so amend in paragraph 9 of the Hearing Designation Order for this proceeding, DA 93-1047, released

---

1/ The signature on this amendment is a facsimile. A copy bearing the original signature will be filed as soon as it is received by counsel.

*OT 6*

September 20, 1993. Furthermore, acceptance of this amendment will not unfairly prejudice any other party; will not result in the comparative upgrading of Ketelsen's application; will not necessitate the addition of any party or issue in this proceeding; and will not cause undue delay or complication in the proceeding.

WHEREFORE, good cause having been shown, Ketelsen respectfully urges the Presiding Judge to grant this Petition and to accept the accompanying amendment to his application.

Respectfully submitted,

LYNN KETELSEN

AMENDMENT TO APPLICATION OF LYNN KETELSEN

WILLMAR, MINNESOTA

File No. SPN-920604ND

Lynn Ketelsen hereby amends his above-identified application so as to complete his response to Item 3, Section III, Page 6 of FCC Form 301 by reporting the address of the source of his financing for the proposed station. The source of the financing is the First American Bank of Willmar whose address is 303 Fifth Street, S.W., Willmar, Minnesota 56201.
